.....

PS. ALI213 steamemu used, didn't test other ones.

PPS. Very funny humor post with Heisenberg, really enjoyed that one, thanks guys :>

PPPS. Right now I'm busy with my main job as Jonhy Sins, so there is not much time left for banging denuvo :D
I won't be able to release as often as I did before, but I hope situation will change. Nevertheless,
denuvo v4 x64 was terminated by BALDMAN, in short period of time - less than 2 months! Let's see >>
what was done:

- * May 7 - U1 cracks for Nier Automata and Sniper Ghost Warrior 3 v1.0 were released
- * May 14 - U2 crack for Prey 1.0
- * May 19 - U3 crack for Nier Automata
- * May 28 - U3 crack for Prey 1.03
- * June 1 - U3 crack for Rime 1.0 - and denuvo was removed from the game right after crack was released
- * June 6 - U3 crack for Tekken 1.0 - improved denuvo v4++ doesn't help them, actual time spent >>
on crack was about 1.5 days
- * June 9 - U3 crack for Sniper Ghost Warrior 3 v1.2
- * June 13 - U3 crack for Warhammer 40000 DoW III + WorldBuilder <online part of protection + custom >>
checks destroyed by Uoksi)
- * June 16 - U3 crack for Bulletstorm Fullclip Edition
- * June 18 - U3 crack for Dead Rising 4 update 1

Let's hope CPY will finish denuvo v4 with powerfull final strike :P

PPPPS. If you like my releases and enjoyed last 2 months of non-stop denuvo banging, you can support >>

You can add to your ninja's skills with mystical skills, you can choose a powerful weapon and level it up, and you can even choose the best ninjas to make up your team. It is a game of challenges and strategy, but the game is also full of fun. Features All you need to start the game is a mouse and a keyboard – no controller is required. There are 30 levels in this game and every level increases in difficulty – from the first level where you only have your hand and feet as your weapon, and no ninjas, to the last level where you have two ninjas and a sword. You can choose from nine different ninjas, and the ninjas also have different mystical skills and weapons available. The ninjas have a huge variety of weapons, and you can use weapons from the traditional way, and by using their special skills. You can even mix and match weapons, and you can also specialise your team by giving each of them different skills. Every enemy also has different attacks, and by completing a level you can pick up special coins and diamonds. These special coins can be used to unlock different weapons and ninjas.]]>Rainbow 82157476af
